The Honourable the Minister of Transport, pursuant to Subsection 4 of Section 3 of The Public Vehicles Act, has referred public vehicle operating licence No. 1556 of Cecil Hiram Norton to the Ontario Highway Transport Board with the recommendation that the terms and conditions of the said licence be reviewed, and particularly that portion of the said licence which reads: "For the carriage of students (who are so registered at Cathedral High School) from points in the Town of Burlington, and return, with no pick-up or discharge of students outside of the corporate limits of the Town of Burlington or the City of Hamilton", and more particularly the chartered trip privileges resulting from the said operating licence, as it would appear that Cecil Hiram Norton is enjoying charter trip privileges by virtue of holding a public vehicle operating licence which is in fact a school bus operation, and as such may be contrary to Form 3 of Regulations made under The Public Vehicles Act.

(5) All cheques drawn upon the said account shall be signed in such manner or by such means as the Board may designate from time to time.

10.—(1) An auditor, who shall be a person licensed under The Public Accountancy Act, shall be appointed by the Board.

(2) The auditor shall audit annually and at such other times as he may be directed by the Board the books of account and the expenditures and revenues of the Hospital, and shall prepare and submit to the Councils of the City and County by March 15th in each year a report showing the revenues and expenditures made by and on behalf of the Hospital during the preceding year, and the assets and liabilities of the Hospital.

(3) The auditor shall report to the Councils of the City and County upon any expenditures made by the Board contrary to law or the provisions of this Act.

(4) The auditor shall supervise and determine from time to time the methods of bookkeeping and accounting to be employed in connection with the Hospital.

11. If at the end of five years there shall be a substantial change in the proportionate use of the Hospital facilities by residents of the City and residents of the County residing outside the corporate limits of the City, the City and County may make such adjustment to their proportionate contributions for Hospital purposes as may be agreed upon, and the respective interests of the City and County in the real and personal property of the Hospital shall be adjusted accordingly, such adjustment to be made by By-laws of the City and County.

12. Notwithstanding anything herein contained, the Councils of the City and County in determining any matter required to be determined by them under this Act shall have an equal voice, and if agreement cannot be reached no action shall be taken on the matter.

13. The City of Belleville Act, 1948 as amended is hereby repealed.
